| Walvergan Services

Walvergan Services is a business that prides itself on the delivery of an ultra-efficient professional service without sacrificing an unrivalled level of personal attention.

Our team shares an impressive wealth of knowledge and skill-based expertise in the design and production of visually striking carrier bags, tailored to the business needs of a diverse client base to meet the client's future packaging needs in an environmental and customer friendly style.

| Our Carrier Bags

Tailored to your specific needs, our range of high quality carrier bags will deliver the impact you want. Stylish and functional, they will definately become the mobile advertisement that makes a unique statement about your business.

| Production Quality

Durable and long lasting, our carrier bags are an environmentally-friendly cost effective re-usable alternative to flimsy plastic bags.

The Walvergan Carrier Bag is manufactured with toughness, quality and functionality in mind.

| Design Service

An additional feature of our personal approach to client requirements is the provision of a professional design service.

Focused on you, we guide you from an initial idea to the production of a design concept for your approval, to a finished product you will be happy with.

| Design Service

With a vast cross section of carrier bags in our portfolio, it is essential we provide an energetic graphic design service. Our designers produce striking visuals to implement a client's brief. Detailed large scale preliminary concepts are shown, with amendments made (if required) and finished artwork produced to the print deadline.

With over 20 years experience in this field, our design team have the skills to transform your conceptual ideas to a striking carrier bag.

Your visual identity will always be in
safe hands at Walvergan Services.
